

WHY CAMP

Thousands of people have been impacted by their time at Manitou over the years and we count it a privilege to provide a one-of-a-kind experience for children ages 7-18. Manitou has provided a place to experience the love of Christ first hand, hear the good news of the gospel, meet new friends and make memories that will last a lifetime. Each year we've worked hard to make camp accessible for as many as possible. Thanks to people like you, generous donations have allowed us to keep camp fees within reach for families and camp a possibility for hundreds each summer.

"My highlight of camp was getting to know new people and get to know God more"

KEEPING IT ACCESSIBLE

On average, it costs us \$76/day/child to operate camp. Included in this cost are activities, food, staff, insurance, utilities, and administration.

Example

10 year old boy attends junior camp

Cost: \$76/day X 5 days = \$380

Fee Paid by Camper = \$230

Shortfall = \$150

Shortfall must be covered by donations to our general fund.

**FOR \$12.50/MONTH YOU
COULD FUND 1 CAMPER SPACE
(THAT'S ONLY \$1.79/DAY)**

We have capacity for 900 camper spaces this year.

**Would you consider
partnering with us to help
fund a camper space?**
